TTCI and The Training Connection Strengthen Electronics Manufacturing with Test Services and Training at PCB West 2025

Baltimore, MD – September 2025 – The Test Connection Inc. (TTCI), a trusted provider of electronic test and manufacturing solutions, and The Training Connection LLC (TTC-LLC) will exhibit at PCB West 2025, taking place Wednesday, October 1, 2025, at the Santa Clara Convention Center in California. Visitors are invited to Booth 113 to explore the companies' complementary expertise in test engineering services and workforce development for the electronics industry.

TTCI delivers high-reliability test development and turnkey solutions for industries where precision is critical, including aerospace, defense, medical, and automotive. As an ISO 9001:2015 certified and ITAR-registered provider, TTCI supports both high-mix and high-volume production with comprehensive services such as:

- In-Circuit Test (ICT) development and board testing for Keysight (Agilent) 3070 and Teradyne TestStation/GR228X platforms
- Flying Probe Testing with Digitaltest MTS-500 and Seica Pilot V8 systems for flexible prototype and low-volume inspection
- Boundary-Scan Testing using XJTAG and Keysight x1149 tools for non-intrusive diagnostics
- Functional Test Development with Keysight TS-5000/TS-8900 and InteFun2700 platforms for complete product validation
- Specialty test accessories including Feasa LED Analyzer and SMH FlashRunner microcontroller programmer

With more than 45 years of hands-on expertise, TTCI enables manufacturers to accelerate time-to-market, ensure product quality, and streamline production workflows.

Alongside TTCI, attendees can also meet with The Training Connection LLC (TTC-LLC), a leader in professional development and certification for the electronics manufacturing industry. TTC-LLC provides training in Electronics, SMT Manufacturing, Test Engineering, and Quality, helping professionals stay competitive in today's fast-evolving market. As an active member of IPC and SMTA, TTC-LLC offers industry-recognized programs from its offices in Hunt Valley, MD, Baldwin, MD, and Tampa, FL, making training accessible nationwide.

Together, TTCI and TTC-LLC bring a powerful combination of technical expertise and workforce training—equipping customers with the tools and knowledge needed to thrive in the electronics sector. To schedule a meeting or learn more, visit **www.ttci.com** and **www.ttc-llc.us**.
