Taking the ‘Wait’ Off - TopLine Ships JEDEC Matrix IC Trays and Waffle Packs from Stock

Milledgeville, Georgia, USA – TopLine ships a complete range of JEDEC Matrix IC trays and Waffle Packs for a wide variety of components, from stock, eliminating long wait times for components, including BGA, QFN, QFP, PLCC, TSOP, and many others.

“As the industry continues to navigate material shortages and extended lead times, TopLine maintains ready-to-ship inventory to help customers keep their projects moving,” says TopLine CEO Martin Hart. “Plus, we offer low MOQs – order as much or as little as you want, and it still ships quickly.”

TopLine JEDEC Matrix IC Trays and Waffle Packs are available with a range of accessories and in custom sizes and configurations. To find out more, visit www.TopLine.tv/trays.html, Tel 1-800-776-9888, email: info@TopLine.tv.
