

Weller Celebrates 80 Years of Innovation with Exclusive WXsmart Promotion

Besigheim – May 2025 – Weller Tools, a leader in hand soldering solutions, is proud to celebrate its 80th anniversary by offering an exclusive promotion on its award-winning WXsmart soldering platform. From April 28 through August 31, 2025, customers in the United States and Mexico can take advantage of a 20% discount on a range of WXsmart Kits and the new Weller Automatic Tip Cleaner — a limited-time opportunity to experience the future of soldering at exceptional value.

The WXsmart platform represents the industry's first all-in-one smart soldering solution, delivering complete process control from tip to station. Built for the demands of industries such as electronics manufacturing, aerospace, medical devices, automotive, and defense, WXsmart offers unmatched connectivity, cybersecurity, and performance.

The promotion includes:

- WXsmart Soldering Stations
- Micro/Nano and Heavy-Duty Soldering Kits
- Complete Rework Station Packages
- The New Weller Automatic Tip Cleaner (WATC100 Series)

This special 80th anniversary offer is based on pre-tariff list pricing, allowing customers to invest in cutting-edge soldering technology at a significantly reduced cost.

"For 80 years, Weller has been committed to driving innovation in soldering solutions," said Jeff Jasuta, Channel Marketing Manager at Weller Tools. "This milestone promotion is our way of thanking our loyal customers and partners, while empowering new users to experience the advantages of WXsmart technology."
